## GRAN CANARIA SUZUKI WORKSHOP 2022

Born from a common dream, and with great enthusiasm, we are happy to announce this Suzuki summer Course in Gran Canaria. An island unique for many things. Its people, its culture, its immense beaches, its climate or its mountains full of life.

We believe in music as a universal language capable of uniting cultures and helps improving society. Therefore, we would like to invite Suzuki families from all over the world to participate in this new course. We would like to spread the Suzuki Method on the island like it has already made thousands of families and ourselves grow, share and enjoy through music.

Throughout our teacher training in the Suzuki Method, we have met great teachers of pedagogy and life who have guided and inspired us. On this occasion (and hopefully many others) we are very happy to announce that CLAUDIO FORCADA, ISABEL MOREY SUAÚ, KOEN RENS and EULÁLIA SUBIRÁ, will be part of the cast of teachers this year.

The course will take place in Gran Canaria, at the facilities of the Gloria Palace San Agustín Thalasso & Hotels. A four stars hotel located in San Agustín area, in the south of the island.

It is a quiet area and it is just 500m from the nearest beach Las Burras and 600 m from San Agustín's beach, and close to the two largest beaches on the island: Maspalomas and Playa del Inglés. San Agustín's Shopping Center is located about 500 m where you can find various restaurants, bars, as well as supermarkets.

The hotel, in addition to being the venue where the classes will take place, offers us accommodation at a special rate. This helps us to offer our participants the easiest way to fully enjoy the course and spend more time with other members of the community (children, fathers, mothers, teachers, teachers in training, etc.)

## TRAVELING WITH CELLOS:

Some airlines such as Iberia, Air Europa or EasyJet, have special policies to be able to carry musical instruments in the plane cabin as carry-on hand baggage. We believe that cellos up to the size of 1/2 (approx. 110 cm high), could be transported with these airlines.

The conditions may vary depending on the origin and airline, or if the flight is a chartered flight. We recommend you to check the exact conditions with the company with which you wish to fly. As a rule of thumb; If guitars are allowed as hand luggage, cellos up to this size (approx. 1/2) should also be allowed.

Low-cost carriers like Ryanair and Vueling, usually request an extra ticket to transport any instrument that is larger than the dimensions established for hand luggage.

We are trying to get cellos of various sizes to make it easier for those families who need it to attend the course. The renting cost and the conditions will be announced later. Please contact us if you need an instrument and we will try to help you: [grancanariasuzukiworkshop@gmail.com](mailto:grancanariasuzukiworkshop@gmail.com)
